

Bring your own Device (BYOD) Agreement

I want my child to bring their own digital device to school for use in the classroom learning programme. I understand (please tick each statement):

- ☐ Devices your child can bring include ipod touch, ipad, tablet, Chrome book and laptop. Cellphones can be also included but are **not** for texting or phone calls, during the hours of 9am-3pm, but solely for research.
- ☐ All devices brought to school are my child's responsibility and the insurance for the device is my responsibility.
- ☐ The school holds no responsibility for any loss or damage, which might occur.
- ☐ That teachers will provide a locked cupboard in which my child may place their device when not in use.
- ☐ Children must bring devices to school each day fully charged.
- ☐ Anti-virus software must be kept up to date on devices brought to school.
- ☐ Baverstock Oaks technician or staff will not repair devices that have malfunctions. It is the responsibility of the parents to ensure any issues with their child's device are resolved.
- ☐ Devices will be used only under adult supervision.
- ☐ Devices brought to school are for the use of my child only. The school adheres to a 'sharing screen' concept, whereby my child may share his/her screen with others. In collaborative group work there may be 2-3 children working together, however my

child is in charge of his/her device.

- ☐ Children will use cloud-based applications such as Google Apps for file management and are allowed to access this at home with parent permission.
- ☐ It will be my child's responsibility to remember to take the device home each night.
- ☐ My child will still be expected to use pen and paper as part of their learning in addition to the purposeful use of their device.
- ☐ Rules governing the use of any school-owned digital device will apply to student-owned devices while they are at school. This includes adherence to the Copyright act and school digital citizenship policies. This is in accordance with our ICT Acceptable Use and Responsible ICT User Agreements. ☐
- ☐ Only the devices that are registered with the school can be used at school, during school hours and activities.
- ☐ Devices are not to be taken on trips outside the school.
