

Meeting of Friends At Baverstock Oaks FAB 5/4/17 @ 7.00pm

Agenda:

Daryll Powell, Paul Martin, Daisy Zhu, Mary Wilson, Genée Crowley, Vanessa Walter, Kylie Lipscombe, Melanie Russ , Allison Jones

Apologies: Wayne Jones, Mel Bool, Taz Lambart, Christine Reed, Lyndsay McCarthy

Principal – We have been doing on a blitz on children who have been arriving to school too early, some as early as 7.30am. We have a great before school care programme which is undermined by children who sneak in and hide. There is no supervision before 8.20 for children as teachers are preparing for the day. We are phoning the parents of repeat offenders and explaining the why. Planning is well underway for next term and teachers and children are excited about Term 2 focus Past/Present/Future.

Some property work is having over the holidays for the field and repathing down by the drop off zone. We have also had a construction company who has been in touch with Mary to look at providing a shelter in the drop off zone.

Secretary - Communications (Check that emails are right for new and old FAB members)

Chairperson – Daryll Powell & Paul Martin

Treasurer's report: Not available no changes to last report.

Executive committee reports:

Second Hand uniform shop –

Mel is looking at sorting the uniform shop out. There are so many polar fleeces. Mel wants to know when is a good time to have a uniform sale. Sonja Sangwan is happy to do the uniform shop after 1.30pm. We are thinking of an evening for a second hand sale to make it a time suitable for our community. Melanie is going to do a stock take and do a culling if necessary. Mel wants to simplify it so there are some free items. There are only 4 people in the uniform shop team. Mel would like to say leave the costing to our discretion. We will sell it and give back 20% to the owner. If parents want to sell it for more they need to do it privately. Mel is going to start tomorrow. Daisy will advertise at Edukids for the smaller sizes.

Sausage Sizzle –

Next one May 30. Notices to go out Week 3. Will be starting the cooking at 10am. Paul and Darryl will help. Got chicken sausages free last time. Botany Pak n Save were very helpful. We need to acknowledge their support in the newsletter.

Entertainment Books -

These are going quite well. Five sold in the last 4 days. Esther is away so not so sure about actually how many have sold. These books are \$70 and have great savings the electronic version is great.

Athon – Ideas what we can do:

Movie night - Darryll's research results. Could be held in the hall Big Hero Six will cost \$500 for both night showings. The company is very prescriptive i.e. screen size etc. So a no to this.

Market Day - Darryll's research results. Put all the market traders on a gala day and vendors made no money. If it was at Baverstock they would like it in the hall and they pay us a rental fee e.g. a table \$20. They sell Arts and crafts, crockery, etc regular market set up in the heart of the school. Darryl to check if they would like to do a regular event. This will be a separate event from the athon and could be trialed for 6 months.

World Water Day - Idea for thought could have a day or week to promote and have ongoing sales. They will do all marketing and promoting of this?

Athon - Musical instruments (made at home) from past present future/Dress up Parade and Quiz. Quiz 10 for Acorns, 15 for BB and 20 for TO. It needs to be simple and the children take the questions home.

School Disco – Term 3 17 August we will look at this next term

IFF – November

Calendar of events to ensure parents and families don't have the feeling of continued expense for fundraising activities and has alignment with school activities. Darryl to do the calendar for this

General Business – We need someone to take over the Teacher Dinner, at Parent/teacher interviews. July 6 Vanessa did this last time. A week before Student Led Conferences send an email out to ask for offers of meals and making sure there are not too many double ups. The food then needs to be set up at 4.45pm Heating up plates and knives and forks out. Christine can you please put an email out to see who is happy to take this up. Vanessa has done enough.

Gardens - the produce is sometimes sold, sometimes used in cooking. We are looking at relocating these around the back of Block E.

Paul has set up a meeting with Mary and local business who want to build their profile to see if we can support our Information Centre extension. Will look at sponsorship options.
